

Heavy Duty Bulldozer Stick Rakes + Tree Pusher

To suit CAT D6T with SU Blade.

Weight: 3140.09 kg

We manufacture a range of heavy duty stick rakes and tree spears to suit all models of Caterpillar, Komatsu, John Deere and Case Bulldozers.

- Our stick rakes & tree spears are engineered and manufactured to Australian specifications from fully fabricated 450 grade high tensile steel.
- Wing bi-fold design enables easy transport.
- The dozer stick rake stands on it's own when not in use with swing down legs.
- Extremely heavy duty solid wear resistant tyres, slanted design allows gliding over ground and vegetation.
- Internal steel structural supports (honeycomb) – providing maximum strength and durability.
